

## Solgar Introduces Higher-Potency Acetyl L-Carnitine Formulas

LEONIA, NJ — February 19, 2010 — Solgar proudly introduces two new acetyl L-carnitine products: Acetyl L-Carnitine 500 mg Vegetable Capsules and Acetyl L-Carnitine 1000 mg Tablets. These premium formulas offer consumers higher potencies of acetyl L-carnitine to help support brain health.\* Acetyl L-Carnitine 500 mg Vegetable Capsules and 1000 mg Tablets provide free-form acetyl L-carnitine to promote optimal absorption and assimilation.\*

Acetyl L-carnitine is involved in brain energy metabolism.\* It promotes memory and supports cognition while protecting the brain from oxidative stress.\* Structurally similar to the neurotransmitter acetylcholine, acetyl L-carnitine serves as the precursor to acetyl coenzyme A and donates acetyl groups that contribute to the synthesis of acetylcholine, which is required for mental function.\*

Vegetarian and kosher certified, these premium formulas are free of gluten, wheat, dairy, soy, yeast, sugar, sodium, artificial flavor, sweetener, preservatives, and color. These products will be available in fine health food stores nationwide.

###
