

Solgar Introduces CoQ-10 600 mg Softgels

LEONIA, NJ — December 4, 2009 — Solgar proudly introduces CoQ-10 600 mg Softgels for consumers who prefer a higher potency of this important antioxidant. Each softgel provides 600 mg of coenzyme Q-10 (as ubiquinone) to help support heart and brain health and promote energy production.* This product supplies Kaneka Q-10™, an all-natural, clinically researched form of CoQ-10 bio-identical to the form produced in the body.

Solgar's CoQ-10 600 mg Softgels are free of gluten, wheat, dairy, corn, yeast, sugar, and salt and are formulated without the use of artificial preservatives or flavors. This product will be available in fine health food stores nationwide.

###

For over 60 years, Solgar Vitamin and Herb has been educating and providing consumers worldwide with premium-quality, innovative, science-based nutritional supplements that enhance overall wellness. Committed to quality, Solgar utilizes stability testing, expiration dating, USP water filtration, and quality control analyses to ensure potency and purity in every product.
