

## **Solgar Omnium® Wins Best of Supplements Award**

LEONIA, NJ — November 2, 2009 — Solgar proudly announces that its Omnium® phytonutrient-rich multiple vitamin and mineral formula has won a 2009 Best of Supplements Award from *Better Nutrition* magazine. A winner in the multivitamins category, the product is featured in the magazine's November issue.

Solgar Omnium®, a comprehensive multivitamin and mineral formula, offers a substantial phytonutrient blend that includes carotenoids, isoflavones, and flavonoids. It also provides antioxidants such as coenzyme Q-10, alpha lipoic acid, proanthocyanidins, polyphenols, n-acetyl-l-cysteine (NAC), and quercetin. Additionally, it supplies phosphatidylserine complex, standardized turmeric extract, and broccoli cruciferous extract.

“Solgar Omnium® was designed for people interested in a broad-spectrum multiple,” said Dr. Richard Passwater, Solgar Vice President of Research and Development. “It offers consumers a synergistic blend of phytonutrients, antioxidants, and specialty nutrients in addition to vitamins and minerals.”

Available in iron and iron-free formulas, Solgar Omnium® Tablets are suitable for vegetarians and free of gluten, wheat, dairy products, yeast, sugar, and starch. A two-tablet daily serving is recommended. Omnium® is available in fine health food stores nationwide. For more information, log on to [www.solgar.com](http://www.solgar.com).
