

## Solgar's Hyaluronic Acid Wins "Best of Natural Beauty" Award

LEONIA, NJ — March 15, 2010 — Solgar proudly announces that its Hyaluronic Acid 120 mg formula has won a 2010 Best of Natural Beauty Award from *Better Nutrition* magazine. A winner in the supplements category, the product is featured in the magazine's April issue. This award-winning formula provides hyaluronic acid from collagen along with vitamin C. Hyaluronic acid can be found in almost all adult connective tissue, including joints and skin. Vitamin C is involved in collagen formation, which is important for healthy nails, skin, hair, and connective tissue.\*

Each tablet of Solgar's Hyaluronic Acid 120 mg Tablets supplies 100 mg of vitamin C (as calcium ascorbate) and 1,200 mg of BioCell Collagen II® Extract which provides: 750 mg of Hydrolyzed Collagen Type II, 240 mg of Chondroitin Sulfate, and 120 mg of Hyaluronic Acid. This award-winning formula is free of corn, yeast, wheat, soy, gluten, and dairy products and is formulated without the use of artificial preservatives, flavors, or colors. A one-tablet daily serving is recommended. This product is available in fine health food stores nationwide. For more information, log on to [www.solgar.com](http://www.solgar.com).

###
